To Whom It May Concern:

I highly recommend Ashley Shaw as a bookkeeper for any type of business. I have known Ashley for many years as her colleague and co-worker on projects for my company, Mythic Landing Enterprises, LLC.

While working as a contractor for Mythic Landing Enterprises, Ashley was responsible for the bookkeeping services for several clients, including a large statewide membership-based trade organization. Regardless of the client, she handled every task like it was her number one priority, and was always available to both the clients and myself. Not only did she accurately keep the books for our clients, but she also helped them build their businesses by answering any budgeting questions they may have had.

Ashley would be a tremendous asset for your company and has my highest recommendation. If you have any further questions with regards to her background or qualifications, please do not hesitate to contact me.

Sincerely,

Margaret Rizzo McKelvy
